2. New residents must receive written approval from the General Manager/delegate prior to move-in.
3. Existing residents must receive written approval from the General Manager/delegate prior to getting a pet.
4. Pet approval will be based on the type of pet, the resident's ability to care for the pet, the impact on comfortable living of other residents and environmental impacts.
5. The General Manager/delegate has the right to review, at any time, the acceptability of any pet and may have the pet removed from the premises if the pet is found to be unacceptable or if the resident is deemed unable to care for the pet.
6. Dogs and cats must be leashed at all times while in common areas.
7. Residents are required to clean after their pet(s) both in their private areas and/or outside the Home if applicable.
8. If a resident is transferred to hospital or becomes ill, they must arrange for the care of their pet. Staff will not assume that responsibility. Name of designate and phone number will be indicated on Acknowledgement Agreement.

10. Any damage caused by a pet, will be the responsibility of the resident.
